

OFFmate

NEW

Offmate Adhesive Remover

Assists with the easy removal of ostomy, continence and wound care appliances, and the removal of any adhesive residue.

The benefits to you...

- Silicone-based adhesive remover – will not sting or irritate skin.
- Pain-free removal of appliance and adhesive residue.
- Easy to apply, removing adhesive instantly.
- Dries quickly without leaving any residue – will not influence the adhesion of new appliance.
- Aerosol can be sprayed and used at any angle.
- Suitable for adults and children.

Available on NHS prescription.
